Cosmos: From Creation to Redemption: Dr. Timothy Kearns begins our Adult Faith seminar today at 10:35 AM in one of the classrooms. The seminar will present the Catholic vision of the whole of the created world, from its beginning to our own time, and it will help us to understand how we too have a part to play that no one else can. Along the way we will learn how to think about the natural world in a way that reveals God in it, as well as how to read the Bible and how to understand our own personal potential for excellence. Get a copy of the schedule from the Credence table in the rear of the church.
