**Christ is risen! Indeed, He is risen!**

This is the day of Resurrection. Let us offer to God a sacrifice - which is ourselves. Let us, as His most precious acquisition, give to the Image [God] that which was created in His image. Let us acknowledge our worth. Let us revere the Archetype. Let us come to understand the power of the mystery and who it is for whom Christ died. -St. Gregory Nazianzus, *On the Holy Pasch*, Sermon 2, V.
