Study on the Incarnation of Christ for Saint Philip's Fast-Update.

To prepare ourselves for the Feast of the Nativity of our Lord, I would like to have a class on St. Athanasius' classic book, *On the Incarnation*. I think it is important during this season to understand why God became flesh for our salvation. The book I have found, *On the Incarnation of God: with Study Guide*, contains a readable text and a study guide and looks to be an easy read. Although it has nine chapters, I hope we can fit it into the time of the fast. The consensus is to have the study on Sundays after the Divine Liturgy. Classes will begin on **Sunday, November 17** in the sanctuary. If anyone is still interested in this study, please let me know as soon as possible so that I may have enough books for everyone and be able to set a day and time. I look forward to sharing this study with you and hope you can attend!
