Filipovka: Our Advent Season begins Friday, November 15th and goes for 40 days, until the Feast of the Nativity. This is a penitential season, and we should be fasting, praying, and giving alms. We should at least abstain, whether from meat or other foods, on Wednesdays and Fridays. Also, Christmas Eve is a day of strict fast for our Church. Note that you don't have to worry about fasting at Thanksgiving but remember to give thanks to God and pray for others. In the two weeks leading up to the Feast, we will pray the Christmas Moleben on Wednesday evening. God bless us all as we journey together with the Magi and the Shepherds to the Cave at Bethlehem!

Study on the Incarnation of Christ for Saint Philip's Fast. To prepare ourselves for the Feast of the Nativity of our Lord, we will be discussing St. Athanasius' classic book, *On the Incarnation*. Beginning next Sunday, November 17, after the Divine Liturgy in the Sanctuary. I think it is important during this season to understand why God became flesh for our salvation. Although the book has nine chapters, I hope we can fit it into the time of the fast. If anyone is still interested in this study, please let me know as soon as possible so that I may have enough books for everyone. I look forward to sharing this study with you and hope you can attend!
